

KVP Charity Cup

2007

12 Teams, 1 Cup

An Annual Newsletter

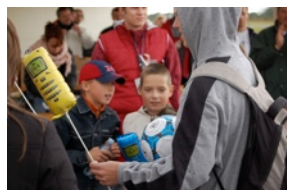

Issue No.3 - Sept 2007

Dear Friends,

I would personally like to thank all players, sponsors and fans for making this years KVP Charity Cup a success. Thanks to your generosity 35,000 LT will go to "Klaipedos 2-oji Spec. Mokykla". Our gesture will hopefully bring comfort into the lives of young children with special needs. I look forward to seeing you at next years competition and the opportunity to once again raise money for a charitable cause.

Sincerely

James A. Clarke

11 companies took part in the KVP Charity Cup 2008, but only one team could take home the cup. After one week of qualifying games only several teams survived to make it to the quarter finals. Each team battled through the wind and the rain with all their hearts and spirits but only two teams made it the final.

Companies were not the only participants in the event. Before the final Childrens home "Rytas" and "Klaipedos 2-oji Spec. Mokyklai" competed against each other with the latter winning the game.

Vakaru Ikoda and FEZ- Argus clashed in the final. It was a noble game but Vakaru Ikoda could not hold off the powerful FEZ - Argus.

Congratulations to FEZ - Argus the winners of the KVP Charity Cup 2007
